I try to keep every word in my GRE study book so it becomes a bit old very quickly. The suggestion to make the app better is to let you create different lists into organized word lists to memorize. So far the favorite words are the only ones that I can make. I can't use this excellent app because... need to update it to work with iOS11. Please developer help him :-) I'm using the free version with easy and seamless transitions between pages. I decided to buy the paid version after seeing some Then boom! After the purchase of the app becomes very slow.
